

A half remembered dream

I was sellin CDs around the corner
When I met this hot chick named Jan
Gave 'er a ride in my Caddy
coz i didn't know her daddy
was the leader of the Klux-Klux-Klan

We fucked on the bed, fucked on the floor,
fucked till i grew a freakin Afro.
I fucked on the left, fucked on the right,
She sucked my dick till the sailor turned white

I put on my clothes, and I was on my way,
Until her daddy pulled up in a chevrolet
So I ran, I jumped through the back window,
But her daddy was waitin with a 2 by 4.

Oh, he beat me to the left, he beat me to the right,
The motherfucker whooped my ass all night.

But I ain't mad at her prejudiced dad,
'Twas the best damn pussy i Ever had

Don't be amazed at the stories I tell ya
I met a woman in the heart of Australia
Had a big butt & big boobies too,
So I hopped up and down like a Kangaroo

Met this beautiful sexy wee

Just off' the border of Mexico

Fine young thing said her name was Maria,

I wrapped her up just like a hot tortilla

I want to get married but I can't afford it

But its ok, coz she got deported.

You know that time, when ^{you} gotta run,
when the husband comes back home?

I hate that time when you gotta zip up
coz then it's his turn to bone

The funny thing is that you wake up in ur bed,

Thinkin' 'bout the places that you've been

Then you know you're all ~~sweaty~~ drenched in sweat

& disappointed coz it wall just a dream. :(
